NINGALOO REEF

## DRIVE DIRECTIONS FROM EXMOUTH

### BEFORE YOU LEAVE EXMOUTH

Please call the camp on **08 99494173** BEFORE you leave Exmouth to come to Sal Salis so we can be waiting to collect your luggage at the car park.

There is **NO** mobile phone coverage when you leave the town of Exmouth.

**Arrival time is from 14.00 and departure time is before 11.00, unless by prior arrangement.**

There is no lunch provided on arrival or departure days. There are several restaurants in Exmouth to stop and have a bite to eat - Bamboo, See Salt, Froth, Adrift Café, Pot-shot, The Bakery and Mantarays Ningaloo Resort.

If driving in the evenings or early morning we advise that you take it very slowly as there is an abundance of wildlife and collisions with them are all too common. There is a NO driving at night policy with accordance to National Park regulations.

Sal Salis is located at **SOUTH MANDU** beach

### IMPORTANT

Please advise in advance if you are towing a caravan or trailer, as we need to advise National Parks if these vehicle types will be staying in the park overnight. Guests who self-drive to camp are asked to check their footwear on arrival at the South Mandu car park to ensure that they are not bringing any seeds into the camp and surrounding country. Please note that there is a 'no pet policy' at Sal Salis Ningaloo Reef. Guests should also note that feeding of wildlife is not permitted.
